

MANUAL PENGGUNA SISTEM PENGURUSAN ASRAMA

NAMA: ALLYSSA BINTI ABDULLAH
NDP: 23221157

LOGIN PAGE

Log Masuk Pengguna

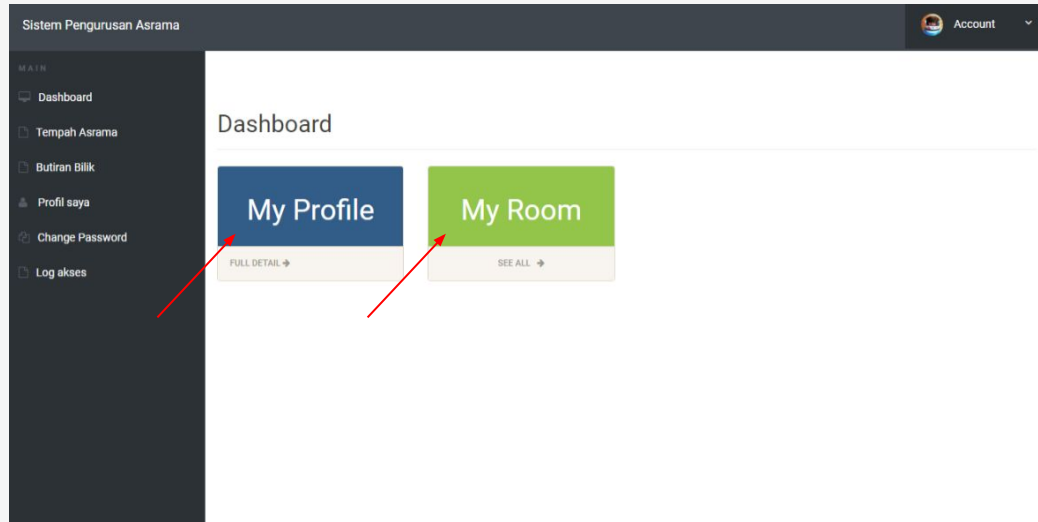

The screenshot shows a login form with two input fields and a button. The first field is labeled 'EMAIL / NO PENDAFTARAN' and contains the text 'bugs'. The second field is labeled 'PASSWORD' and contains four dots. A dark blue button labeled 'login' is below the fields. A white arrow points to the left from the first field, and two red arrows point to the first and second fields respectively.

[Forgot password?](#)

Confirm Password

A screenshot of a web form titled "Change Password". At the top, there is a status bar with the text "LAST UPDATE DATE: 13-07-2023 01:04:22". Below this, a red message says "Password Changed Successfully !!". The form contains three input fields: "old Password", "New Password", and "Confirm Password". Each field has a red arrow pointing to it. Below the input fields are two buttons: "Cancel" and "Change Password". A red arrow also points to the "Change Password" button. A small green text "Password dipadankan ." is visible below the "New Password" field.

User Manual

1. Pada halaman **Change password** akan memaparkan halaman jika ingin menukar kata laluan.
2. Masukkan ruangan yang disediakan seperti :
 - **old password**
 - **new password**
 - **confirm password**
3. Tekan butang **change password** untuk menukar kata laluan.

Password dipadankan .

A screenshot of a web form titled 'Change Password'. At the top, there is a status bar with the text 'LAST UPDATE DATE: 13-07-2023 01:04:22' and a red message 'Password Changed Successfully !!'. Below this, there are three input fields: 'old Password', 'New Password', and 'Confirm Password'. Each field contains a series of dots representing masked text. A green message 'Password dipadankan .' is visible between the 'New Password' and 'Confirm Password' fields. At the bottom of the form, there are two buttons: a grey 'Cancel' button and a blue 'Change Password' button. Three red arrows are overlaid on the image: one points to the 'old Password' field, another points to the 'New Password' field, and a third points to the 'Change Password' button.

User Manual

1. Pada halaman **Change password** akan memaparkan halaman jika ingin menukar kata laluan.
2. Masukkan ruangan yang disediakan seperti :
 - **old password**
 - **new password**
 - **confirm password**
3. Tekan butang **change password** untuk menukar kata laluan.
